

17 Hyatt St, Tully

On Hyatt in Tully \$279K neg

This unique property is situated on a slightly elevated block in Hyatt Street Tully. With views overlooking Tully and only one neighbour to the top side plus a creek bank along the back, makes this a quiet space. If you like gardening there is plenty of scope to make gardens and walk ways down the deep slope towards the small creek that flows from the mountain above.

This home has style from the A frame roof to the large open plan internal 2 storey living area. It has a double carport downstairs and then the first floor can be accessed either by street level or via the internal stairs in the carport. Once on the first floor you have a lounge dining and galley kitchen with 2 bedrooms and shower and toilet as well as the laundry at the back. You then walk up the timber stair case to a loft with another bathroom/toilet and bedroom plus sleepout.

This property has great airflow with it's elevation and open plan.
