WHAT A BARGAIN! - ONLY \$88K

A WORK IN PROGRESS

With a little bit of vision and enthusiasm this place could be brought to life and will make the perfect home/weekender/rental/retreat/environmentally low-impact home ... the opportunities are endless really - it is ready to be completed and lived in!

Building work is incomplete on this 1 bed, 1 bath dwelling which consists of 2 Donga's joined by a central roof, built on a large quarter acre block! The current owners have plans and have already purchased majority of the fittings but they are not yet installed. There is a second hand kitchen which is ready to be fitted. The dwelling has tank water and electricity is connected and ready to go.

Midgenoo is a 5 minute drive north of Tully and is a very quiet area positioned among the cane fields, this block is near the end of a no-through road.
