2 Travelling Dairy Creek Rd, Jarra Creek

Hideaway Reduced \$390K

This house and acreage is reduced and waiting for a new owner!

From the moment you drive down the driveway you will start to feel relaxed, surrounded by nature and as if you are entering a tropical hideaway.

The beautifully presented home is perched on a slight elevation, overlooking the fenced pasture and mountains to the rear. The home features green walls and timber trims which add to the ambience of the natural environment, giving it a very naturally comfortable and welcoming feeling.

From the large wooden deck that wraps around the house you can enjoy the variety of native trees, giant bamboo and fruit trees and in the background the beautifully green, grassed pasture.

Walk in off the deck through one of the many doors into the large open lounge dining and kitchen area.

The kitchen is solid timber to keep the natural theme and also has a built in pantry.

Down the hallway you will find 2 generously sized bedrooms with air-conditioning and built in wardrobes, with the bathroom and toilet centrally located in between.

The bedrooms both have a door out to the back deck and timber louvres that allow great airflow and privacy when needed. This property has a lockable 2 bay garage and an open 4 bay shed and beside the house is a storage room and laundry.
